

Celebrating our fathers!

Each year in June, we celebrate how important good fathers are. Follow the instructions to make a card for your dad or the father figure in your life!

🌀 Make a Father's Day card

1. Cut out the card by cutting along the red line.
2. Fold the card along the dotted black line.
3. Glue the two parts together.
4. On the side with the picture, write a message to the person you will give the card to. Colour in the picture.
5. On the other side, draw a picture of you and this person together, or write a poem or longer message.
