Ngalelinye lilanga ekuseni kwavuka indvodza lengenakhaya. Beyicitse busuku bonkhe bangayitolo icela kudla, kodvwa kute namunye lowayikhombisa kulunga. Sisu sayo besiklolola ngoba beseyilambe kakhulu. Ishisekela kutfola kudla, yahamba yangena emakethe yakulelidolobha icela kudla lokusele kubatsengisi.

“Ngiyacela ... ngiyacela ... Sengemalanga lamabili ngigcine kudla. Ngicela niphe nayi indvodza lephuyile lengenakhaya kudla kwenu lokusele,” yancenga.

Kodvwa liningi lebantfu benta sengatsi ayibonakali. Labo labayibona, bayijikijela ngetitselo letibolile baphindze futsi bayibita ngemagama latiswana njengekutsi “ligundvwane lasesitaladini,” nekutsi “yinja yasesitaladini”.

Ngemva kwemitamo leminyenti netinhlamba letinyenti, lendvodza yancuma kuhamba iyophandza endzaweni yekulahla tibi lesedvute, yetsemba kutsi ingahle itfole kudla lapho. Ngesikhatsi isafuna kudla kuletindvundvuma tetibi letindzala, yabona sipatji sesikhumba lebesiboshwe ngentsambo etulu. Yasiphakamisa, yabese iyasivula. Besigcwele tinhlavu teligolide! Ngenhlitiyo legcwele injabulo, yawubala lomcebo wayo.

“Kunye, kubili, kutsatfu ... likhulu letinhlavu teligolide!” washo njalo uma sekacedzile kubala. “Loku kutangondla imphilo yami yonkhe.”

Isagijima lendvodza iyongena emakethe ilindzele kutsi itawugcwalisa sisu sayo, yeva umtsengisi amemeta, “Lalelani nonkhe! Ngilahlekelwe sipatji sami setinhlavu teligolide futsi ngitamklomelisa lowo lotawusiletsa kimi!”

Lendvodza lengenakhaya beyinenhlitiyo lenhle futsi yamvela buhlungu lomtsengisi. Yabese incuma kwenta intfo lekahle.

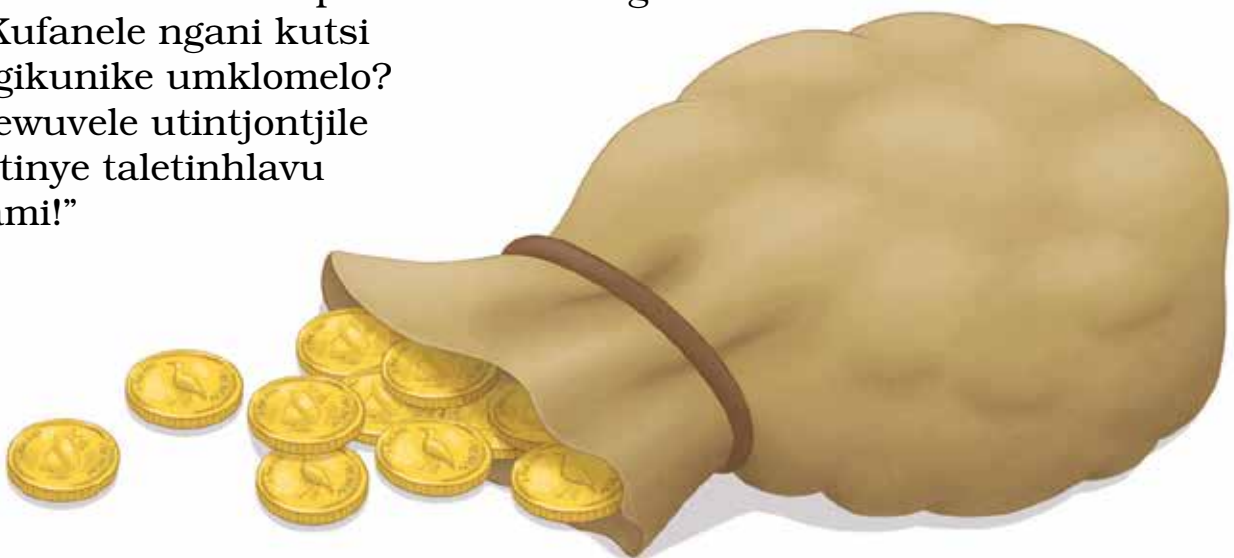

“Ngiso yini lesipatji lesikulahlekele lesi?” yabuta, iphakamise lesipatji lesitfolile.

“Hawu maye mine, usitfolile!” kwasho umtsengisi atsatsa lesipatji wabala letinhlavu teligolide letisekhatsi.

Lendvodza lengenakhaya yema sikhashana yase iyabuta ngaleliphasi, “Mnumzane, ushito lokutsite ngemklomelo?”

“Umklomelo?” kwaphukuta umtsengisi.

“Kufanele ngani kutsi ngikunike umklomelo? Sewuvele utintjontjile letinye taletinhlavu tami!”

“Angikatsatsi lutfo kulesipatji. Ngiyacela, nginike lomklomelo lowetsembisile?” kwasho lendvodza lengenakhaya.

“Lesipatji lesingilahlekele besinemakhulu lamabili etinhlavu teligolide ekhatsi kuso. Nyalo selikhulu letinhlavu kuphela. Sewuvele untjontje kwendlula umklomelo wakho,” kwasho umtsengisi ngekutfukutsela.

“Ngiyacela, mnumzane, angikantjontji lutfo,” kwachaza lendvodza lengenakhaya. “Tonkhe letinhlavu tilapho esipatjini njengoba ngititfolile.”

“Suka la, ngembikwekutsi ngibite bogadzi benkhosi batokubopha,” kwamemeta lomtsengisi.

“Ngingabukeka ngingasilo lutfo kakhulu kuwe, kodvwa ngiyindvodza letsembekile,” kwasho lendvodza lengenakhaya. “Babite bogadzi ngitawutifakazela ngembikwenkhosi.”

Nembala-ke umtsengisi wabita bogadzi. Umtsengisi wase uyabalandzela kanye nalendvodza lengenakhaya baya enkhosini.

“Nginganisita ngani nine nobabili?” kwabuta inkhosi ngesikhatsi lomtsengisi nalendvodza lengenakhaya beme embikwayo.

Umtsengisi waba wekucala kukhuluma. Watjela inkhosi luhlangotsi lwangakakhe lwendzaba. Wachaza kutsi tingaki tinhlavu teligolide lebetisesipatjini sakhe lesilahlekile nekutsi lendvodza lengenakhaya intjontje hhafu wato.

Inkhosi yamlalela lomtsengisi yabese igucukela kulendvodza lengenakhaya seyiyabuta, “Yini longayisho wena ngekwakho?”

“Nkhosi yami, ngitfole lesipatji lapho kulahlwa khona tibi futsi besinelikhulu letinhlavu teligolide kuphela ekhatsi kuso,” kwasho indvodza lengenakhaya ikhotsamisa inhloko isakhuluma.

“Ngulelo liciniso.”

Inkhosi yacabanga sikhashana yabese itsi, “Mtsengisi, ngisho kahle yini? Utsite sipatji sakho besinemakhulu lamabili etinhlavu teligolide ekhatsi kuso?”

“Yebo, nkhoosi yami,” kwasho umtsengisi.

“Ngiyabona,” kwasho inkhosi iphulula silevu sayo lesidze. “Kukahle, ngiyanikholwa nobabili futsi ngingakucatulula kalula loku! Mtsengisi, utsite sipatji lesikulahlele besinemakhulu lamabili etinhlavu teligolide ekhatsi kuso. Lelo golide linengi kakhulu kutsi ungalitfwala

Lokubukwako

Kute utifole yani ku: <https://nalibali.org/story-supplies/activity-sheets>
Tfola tintfo letisifupha letingafani phakatsi kwetifombe letimbili.

Kufundza

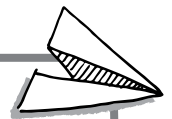

Cababanga ngalokwentekile endzabeni bese uphendvula imibuto. Buka iminingwane endzabeni letakusita.

- ★ Ucabanga kutsi lendvodza lete likhaya ibuyisele sikhwama kuphela ngobe afuna umklomelo?
- ★ Ucabanga kutsi umtsengisi bekangaphatsa lendvodza ngendlela lehlukile kube bekungasiye umunfufu lote likhaya? Kulungile yini loko?
- ★ Ucabanga kutsi lenkhosi yenta kahle kulendvodza lete likhaya kanye nemtsengisi?

Kubhala

Bona ngeliso lengcondvo umtsengisi afuna kukhipha satiso semklomelo ephepheni letindzaba lendzawo. Besingabukeka njani? Besingatsini? Bhala bese uyasihlobisa lesatiso.

Umsebenti wetandla

Sebentisa sicephu sendwangu kwenta sikhwama, kanye nekhabhodi neliphepha lelikhatitelako kwenta emakhoyini eligolide latongena ngekhatso kuso.

Kulingisa

Yenta tindzaba temsakato kubika mayelana nalokwenteka endzabeni. Ungafisa kuba nengcoco nemtsengisi noma nemunfufu lote likhaya njengencye yalombiko.
