Bekukhona salukati lebesihlala sodvwa endlini yaso yetjani lebeyiseceleni lentsaba. Batsakatsi bebasivakashela ebusuku njalo-nje. Bebasivakashela bagibele timphisi. Tikhova betikhanyisela labatsakatsi indlela ngalamehlo ato lamakhulu, lakhanyako.

Betihlala tenta umsindvo wato lomkhulu lowesabekako futsi tishaya esivalweni salendlu yalesalukati kuze kuse. Letimphisi betihleka busuku bonkhe bese kutsi letikhova tona betihwaya lotjani lokufulelwe ngabo luphahla lwendlu yaso. Labatsakatsi bebamemeta:

“Sekusikhatsi lesidze sagcina kugibela emhlane wesalukati. Phumela ngaphandle!”

Lesalukati sacala sakhala futsi sabita nemadloti aso kutsi asivikele. Labatsakatsi benta lelikhulu lidzili ngendlela labafuna ngayo ebaleni laso. Badzabula incenye lenkhulu yetimphahla tabo futsi badansa emnyango waso. Bahamba nasekutakusa. Hawu batsakatsi labaningi kangaka labatentela matsandza! Kutsite kusenjalo intfo letsite yaluma kancane lutwane lwalesalukati.

Bekuligundwane, leli lelivamise kungena ngembobo leselubondzeni. Tikhatsi letinyenti, lesalukati sike setama kulifakela shevu, kodvwa alitange life. Ligundwane lelingaka!

Satsatsa sicutfulo saso kodvwa ngembikwekutsi silihla-sele, leligundwane lakhuluma. “Salukati lesitsandzekako, ngite kutoluma lutwane lwakho ngekuthula. Awukalali busuku lobunyenti. Manje, awukhoni ngisho nekuyosebenta emasimini akho. Utawulamba futsi ufe ngaphandle kwekutsi ngikusite. Salukati lesitsandzekako, nginembono!”

Ngekufuna lusito kamatima, sacela leligundwane kutsi lichaze.

“Ngalelinye lilanga ngahamba hamba ngate ngangena emhumeni ngase ngibona ticindzetelo telunyawo lwaKarikiriki, lombulali webatsakatsi longacondzakali.” kwasho leligundwane.

Latjela lesalukati, “Kufanele ungene kulomhume ebusuku, uwedvwa futsi uhamba ngetinyawo ungakafaki ticatfulo, memeta leligama Karikiriki katsatfu, bese uyadansa uyaphuma.”

Lesalukati-ke sawuvakashela lomhume futsi senta njengoba ligundwane lishito. Samemeta, “Karikiriki! Karikiriki! Karikiriki!”

Ngalesikhatsi sesihamba, seva umsindvo wetinyawo tihamba emvakwaso. Sacala sagijima. Letinyawo tacala tagijima nato. Ngesikhatsi sibuka emuva kwaso, lesalukati sabona tinyawo letimbili letinkhulu tasilandzela!

Letinyawo letinkhulu tema ngaphandle kwendlu yaso lapho leligundwane belisimele khona. “Tinyawo kuphela? NguKarikiriki lowo.” kwachaza leligundwane.

Busuku befika. Batsakatsi bamemeta. “Sekusikhatsi lesidze sagcina kugibela emhlane wesalukati!” Bacala bashaya sivalo.

Masinyane, Karikiriki weta agijima aphuma lapho bekabhace khona ematfuntini. Karikiriki wakhahlela tinhloko talabatsakatsi babese bawela phasi, bacalekile.

“Ungababulali nyalo!” kwamemeta lesalukati. Besifuna labatsakatsi kutsi basebente njengetigcili emasimini aso ngoba ngibo labasizatfu sekutsi lukhula nyalo lubulale tilimo taso. “Kodvwa babulale uma bala,” salawula.

Labatsakatsi labatfunjiwe bavuma kusebenta kulamasimi. Yini lenye lababengayenta? Kodvwa ebusuku kuphela. Sikhatsi sasemini besingasikahle kubo;

sikhatsi bebadzinga kutsi balale. Lokunye futsi, kutsi bebanemkhuba wekukhumula timphahla tabo, ngako-ke sikhatsi sasebusuku besinconotwa ngibo bonkhe

Lesalukati besijabulile. “Gundwane,” kwasho sona, “njengoba usindzise imphilo yami, ngeke ngetame kukufakela shevu futsi. Tilimo nasetivuniwe, utawuba nelisaka lembila lotawudla.”

Ligundwane lanswininita ngenjabulo. “Ngitawuvakasha kuphela kutoluma lolutwane lwakho ngentele tikhatsi letimnandzi takudzala, salukati sami lesitsandzekako!

Tinyawo taKarikiriki tadansa ngenjabulo.

Labatsakatsi labangakajabuli bahlutfula emakhuba wabese Karikiriki uyabahola bakhala bacacamba wacondza-ngco kulamasimi lamadze. Timphisi letitfukutsele kanye netikhova? Tahamba tabuyela emuva ehlotsini lapho tingetakhona.
