Ngalelinye lilanga gogo beakashanyela ekhaya kakhe ngesikhatsi atfola imali lebekasayikhohliwe. Bekajabule kakhulu kangangobe bekadansa futsi ahlabela.

“Buka,” washo aphakamisela lemali emoyeni. “Manje ngitawentani ngayo? Ngiyati! Ngitawuya emakethe ngiyotsenga ingulube?”

Ngako-ke ngakusasa,
waya emakethe
watsenga ingulube
lencane lenhle.
Wayifasa ngelibhande
entsanyeni, wabophela
intsambo kulelibhande
wabese uyidvonsa
ngalo wahamba waya
ekhaya. Endleleni leya
ekhaya, wahlangana
nemsangala
wetingondvo lomfishane.

Logogo watsi,
“Ngiyakucela,
Ngulube, yeca
lomtsangala.” Kepha
lengulube ayitange
iwece lomtsangala.
Nanobe asayincenge
kanganani, lengulube
ayitange inyakate.

Kusenjalo kwachamukainja icolasha wabese logogo utsi kuyo,
“Yinja, Yinja! Wota lapha! Ngicela kutsi ucoshe lengulube. Ayifuni
kweca lomtsangala futsi angeke ngifike ekhaya lamuhla ebusuku.”

Kepha lenja ayitange iyicoshe lengulube.

Ngako-ke logogo watsatsa libhakede lemanti lebe lime khona lapho emtsangaleni. “Manti, ngicela kutsi utsele lenja. Lenja ayifuni kucosha lengulube. Lengulube ayifuni kweca lomtsangala futsi angeke ngifike ekhaya lamuhla ebusuku.”

Kepha emanti ala kutsela ingulube.

Logogo wabona inkhaba lapha khashane. Yatsi nayisondzela, wayimemeta, Nkhaba! Nkhaba! Ngicela kutsi unatse lamanti. Lamanti akafuni kutsela lenja. Lenja ayifuni kucosha lengulube. Lengulube ayifuni kweca lomtsangala futsi sekucala kuba mnyama. Sikhatsi sekutsi mine nalengulube siye ekhaya.

Kepha lenkhaba ayitange iwanatse lamanti.

Kusenjalo kwafika Sosilaha.

Wammisa wabuye wamcenga, “Sosilaha, Sosilaha, ngicela kutsi uhambe nalenkhaba. Lenkhaba ayifuni kunatsa lamanti. Lamanti akafuni kutsela lenja. Lenja ayifuni kucosha lengulube. Lengulube ayifuni kweca lomtsangala. Ngibona inyanga seiyaphuma. Lengulube kanye nami kufanele kutsi ngabe sifike ekhaya kuleli-awa nehafu lelendlulile.”

Kepha Sosilaha wala kutsatsa lenkhaba ...

Manje logogo besacala kutfukutsela – kute lomsitako! Ngako-ke wakhipha intsambo ekhikhini lakhe futsi watsi, “Ntsambo, Ntsambo, ngicela ubophe loSosilaha. LoSosilaha akafuni kutsatsa lenkhaba. Lenkhaba ayifuni kunatsa lamanti. Lamanti akafuni kutsela lenja. Lenja ayifuni kucosha lengulube. Lengulube ayifuni kweca lomtsangala, futsi ngibona inyeti. Mine nengulube kufanele kutsi ngabe sinema-awa sifikile ekhaya.”

Kepha lentsambo ayitange imbophe loSosilaha.

Kusenjalo, kwendlula ligundwane ligijima, logogo walimemeta, “Gundwane! Gundwane! Ngicela uhlafune lentsambo. Lentsambo ayifuni kubopha loSosilaha. LoSosilaha akafuni kutsatsa lenkhaba. Lenkhaba ayifuni kunatsa lamanti. Lamanti akafuni kutsela lenja. Lenja ayifuni kucosha lengulube. Lengulube ayifuni kweca lomtsangala kantsi futsi nenyanga seyiphakeme kakhulu esibhakabhakeni. Lengulube kanye nami kufanele kutsi ngabe sesilungiselela kulala manje.”

Leligundwane lema. Labuka logogo. “Yebo,” kwasho ligundwane, “Ngitawuyihlafuna lentsambo, uma nje ungangipha shizi.”

Logogo wavele wafaka sandla sakhe sashona phansi ekhikhini lakhe. Waphutsata wabese ukhipha lucetu lwashizi wapha leligundwane. Kwatsi lapho ligundwane selimudlile loshizi lacala laluma intsambo; intsambo yacala yabopha Sosilaha; Sosilaha wacala kuchuba inkhabi; inkhabi yacala kunatsa emanti; emanti acala atselainja;inja yacala yacosha ingulube yabese ... lengulube iyazuba yeca umtsangala.

Logogo wajubula kakhulu wabese uyahamba uya ekhaya. “Ekugcineni,” kwasho logogo.

Ingabe yena nengulube yakhe bafika ekhaya sikhatsini? Kute lowatiko. Kepha uma ngabe logogo uhlala edvute nawe kantsi futsi uyati, sicela kutsi usitjele.

KHOMBISA LIKHONO LAKHO LEBUCIKO!

- Khetsa inkhundla lekulenzaba lapho logogo akhuluma khona.
- Dweba sifombe salenkhundla bese udweba nelibhamuta lenkhulumo lagogo. Kopa emagama akhe lakulenzaba bese uwafaka kulelibhamuta lenkhulumo. Manje dweba emabhamuta enkhulumo yaletilwane kanye/nobe tintfo letikulenkhundla bese uwagcwalisa ngemagama locabanga kutsi tawasho!

Lokubukwako

Ucabanga kutsi lomsikati losekamdzala bese kakhathsele uma afika ekhaya? Ingulube yona? Dwweba sifombe sabo nabafika ekhaya.

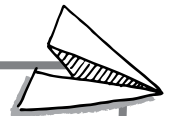

Kufundza

Ungakhumbula kutsi lomsikati losekamdzala bekafuna letinfo ngatinye tenteni: ingulube,inja, emanti, inkhaba, intsambo, ibhusha, ligundwane? Uma bewungulomsikati lomdzala bewungenta njani kutsi lengulube izube yece lofenisi (ngaphandle kwekuyilamata)?

Kubhala

Khetsa sifombe kulenzaba lapho lomsikati lomdzala akhuluma khona. Dwweba sifombe salomdlalo sifombe bese udweba lokulifu lokubonisa kukhuluma kwalomsikati lomdzala. Kopisha emagama akhe kulenzaba uwafake kulelifu lelikhombisa kukhuluma. Nyalo ke dwweba lokulifu lokubonisa kukhuluma kwetilwane/noma tintfo nje kulesigawu bese ugwalisa ngemagama lewucabanga kutsi tingahle tiwashilo.

Umsebenti wetandla

Sebentisa titja temaphepha noma emakhalibhodi, upende futsi ufake tintsambo kwenta timfonyo tebadlali kulenzaba.

Kulingisa

Lingisa lendaba usebentisa timfonyo lotentile.
