Ngamanye amaxesha, kububulumko ukuvumelana ngokungaboni ngasonye. Akuyiyo yonke imiba ekufuneka siyixoxe kuvokothetheke. Esi sisifundo uBelinda Bovine ithole kunye nomhlobo wakhe omkhulu uDumisane igongqongqo elincinci abasifunde ngeyona ndlela inzima.

Ukuze baphelise ingxabano yabo eyayimbi kwaye ingabhadlanga kakhulu ngalaa mini yehlobo eyayishushu ngolona hlobo lungathandekiyo, izaliswe ziimpukane, balinda kwada kwatshona ilanga xa onke amalungu angama-90 osapho lukaBelinda egoduka ukusuka emasimini. Babelambe ngolona hlobo.

"Owu, molo Dumisani. Kwakuhle ukuba uze kutya nathi isidlo sangokuhlwa," waphazamisa watsho umama kaBelinda njengoko wayehlala esenza xa esi sibini siqalisa ukuphikisana. Zange bamve nokumva.

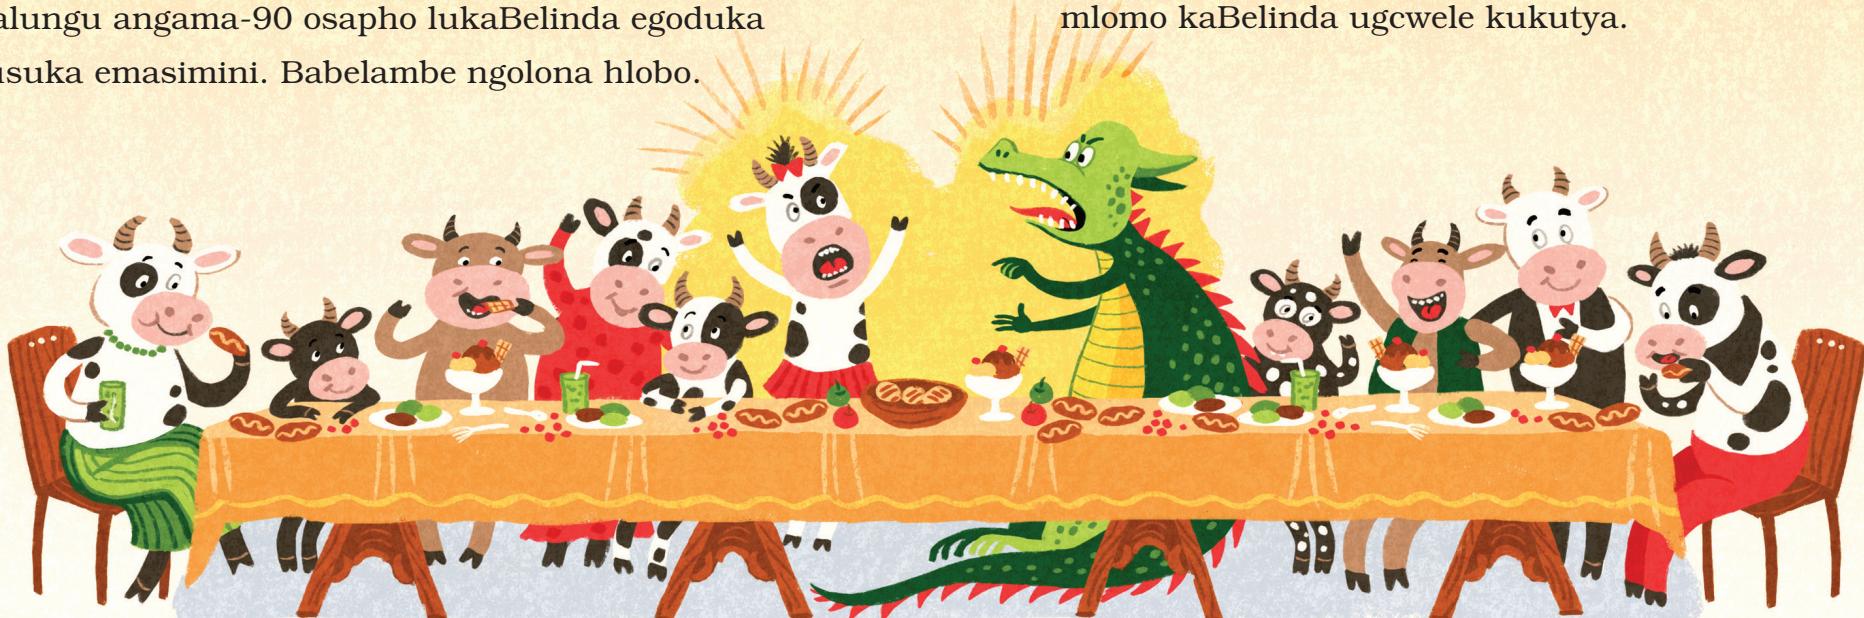

"Akunjalo!" wagxininisa uDumisani.

"Kunjalo!" waphikisa uBelinda, ngeli lixa babezingxala ngesopholo evuzisa izinkcwe. Kwakungekho ukutya okwakunencasa njengoko okwakusenziwa kuloo shedi yakwaRasdorf Farm.

"Eyam ingxola kakhulu," waphikisa watsho uBelinda.

"Ayikwazi kwenzeka loo nto!" watsho uDumisani ngaloo mehlo abengezelayo, othuswe koku kubangisa. "Eyam iyingozi kwaye inqwamza kwanto!"

"Owu, hayi suka!" Loo mazwi ayimpoxo ataka kuloo mlomo kaBelinda ugcwele kukutya.

"Heyi nina nobabini yekani olu xambuliswano nilwenzayo, okanye nakutyela phandle," walumkisa watsho umama kaBelinda, owayesele ecaphuka ngoku.

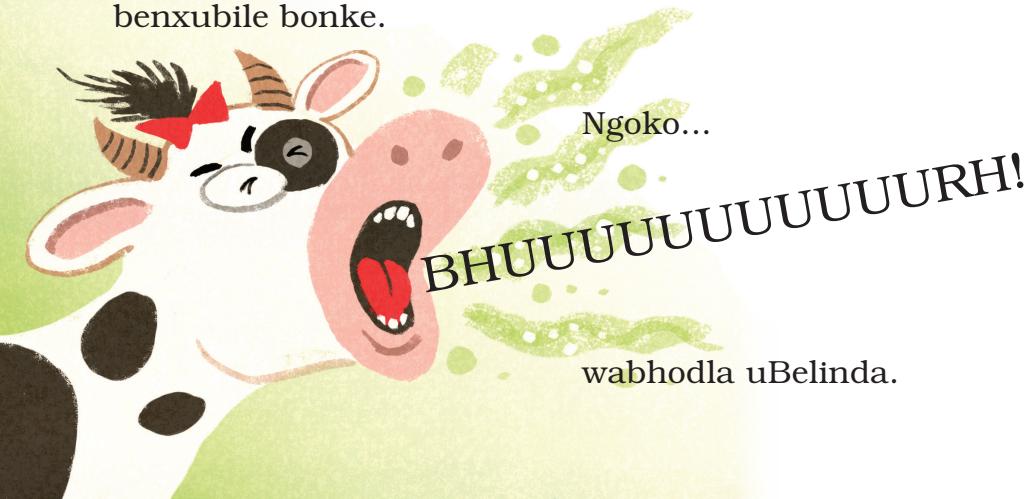

Isilumkiso sazisa ukuzola okwakunokubangelwa kuperela zizisu ezoneleyo. Ukoneliseka okwakuwenza umzimba uthi saaa, uvumele izisu zenze oko zidume ngako: ukwetyisa, ukwetyisa, ukwetyisa.

Loo nzolo yaba yeyomzuzwana. Njengokuba umama kaBelinda wayebagalelela amanzi anesoda ahlwahlwazayo nje, esi sibini naso sabe sesiqalile kwakhona.

"Owam uyabhuhisa ntanga. Umama uthi wenza iglobhu ifudumale," watsho ngokuzithemba uBelinda. Oko kwakungeyonyani ngaphandle nje kokucela umngeni kuDumisani.

"Hayibo! Khawusibonise," wakhwaza watsho uDumisani.

UBelinda wenza njalo ngomdla omkhulu. Watsho baziva benxubile bonke.

"Asiyonto leyo!" waphendula uDumisani.

"Bamb'apha' isiselo sam."

Wabhadla uDumisani.

Ngoku, uBelinda noDumisani babenezinto ezintathu ababengaziqondi.

Eyokuqala: Ngexesha lokwetyisa, izisu ezine zenkomu zidala umoya obizwa ngokuba yimitheyini. Inkomo iwukhupha lo moyo ngokuthi ibhodle.

Inyani yesibini: Amagongqongqo abhabha kuperela emva kokuba ukutya akutyileyo kwetyiseke ngokupheleleyo. Asebenzisa izisu ezine kwezisibhozo ukuqhekeza ukutya njengoko zisenza iinkomo, nako okwenza umoya okuthiwa yimitheyini. Ezi ezinye ezine izisu zitshisa imitheyini. Yiyo loo nto kucingwa ukuba amagongqongqo "abhadla" umlilo, ekubeni oko kuyindlela nje abhadla ngayo.

Inyani yesithathu – le yeyona ibalulekileyo: Umoya wemitheyini uyavutha. Oku kuthetha ukuba intwana nje yomlilo ingadala ugqabhuko dubulo olumandla kakhulu.

Umbhodlo kaDumisani wawuyintlantsana nje engephi. Xa udityaniswe nombhodlo ongxolayo obunkomorha kaBelinda osuka emazantsi esisu, udubulo lwatsho kwasuka uphahla lwayisarhaza ishedi eseRasdorf Farm.

Yaba lithamsanqa into yokuba abahlali balapho babe basindile. Masivume kodwa, ukuba yaba lilishwa into yomonakalo owadalwa yimpikiswano eyaphela isiba nkulu. Oku kuyabonisa ukuba, ngamanye amaxesha, kububulumko ukuvumelana ngokungaboni ngasonye.

Ngethamsanqa, okokuqala, ngale nyani ebalulekileyo, uBelinda noDumisani baphela bevumelana.
