Ukuhamba

Ibhalwe nguZaheera Jina Asvat | Imizobo nguJulie Smith-Belton

Ndihleli ecaleni komakhulu engceni. Sibukele umbungu utshintsha usiba libhabhathane. UKhulu uthi le nto ibizwa ngokuba yinguquko-milo. “Inguquko-milo” ligama elikhulu kwisigama endinaso.

“Bukela, Yusuf,” uKhulu uyasebeza.

Uphunguphungu uvuleka kancinane apho kuzimele khona umbungu, kancinci kancinci, lide ibhabhatane elibomvu namnyama liphume. Ibhabhatane liyaphuma, lisomisa amaphiko alo, lize libhabhazele limke.

UKhulu uthi zonke izinambuzane zeNdalo ziyazalwa, zikhule, zize zihambe. Iintaka zenza kanjalo nazo. Zifudukela kwiindawo ezifudumeleyo ebusika. Ikati ejinja engumduka eyayilele kwindawo yethu yesanti yokudlala abantwana nayo yemka.

Azi ukuba mna ndizakukhula ndibe yintoni na. Ingaba nam ndizakuhamba? Andifuni mna ukuhamba.

UMama uthi kufuneka sifudukele komnye umzi apho kukho izikolo ezingcono khona. Loo nto indenza lusizi. Oko sahlala noKhulu. Ukuba siyahamba, isitiya esitsha singangabi sesomlingo. Nam ndizakuba lilolo. Ndiyoyika.

“Jonga, Yusuf!” uKhulu uyakhwaza. Eludongeni, yikati ejinja, isibukele. Iyehla itsibele kwisanti yokudlala abantwana. Izisonga esantini. Ikati yethu engumduka ibuyele ekhaya.

Kuyakulunga ukuba nam ndiyafuduka. Ndingasoloko ndibuyela ekhaya kwisitiya sikaKhulu somlingo.

Ubuchule

Yenza ibhabhathane. Songa uxwebhu phakathi. Peyinta imigca ethile yamachaphaza kwisiqingatha esinye sephepha uze usonge iphepha ukuze ipeyinti ishicilele kwesinye isiqingatha ngokunjalo. Vula iphepha. Xa yomile ipeyinti, zoba umphandle webhabhathane elivule amaphiko kwiphetshana lephepha elipeyintiweyo. Sika imilo yebhabhathane. Ncamathisela indawo ephakathi kwiroli yephepha lendlu yangasese. Faka iimpondo zesilwanyana ezenziwe ngephepha okanye ngeziqhoboshi maphepha.

Ukwenza

Dlala umjikelo wobomi bebhabhathane:

1. umbungu ujikeleza igqabi kwaye uyalitya
2. umbungu usenza uphunguphungu
3. umbungu phakathi kukaphunguphungu
4. uphunguphungu eqhekeka evuleka kwaye kuphuma ibhabhathane
5. ibhabhathane libhabha lijikeleza.
