Ngihleli eduze kukaGogo otshanini. Sibukele isibungu sishintsha siba uvemvane. UGogo uthi le nguquko ibizwa ngokuthi yimethamofosisi. “Imethamofosisi” yigama elikhulu.

“Bheka, Yusuf,” kuhlebeza uGogo.

Igobolondo ebekucashe kulo isibungu liyaklayeka bese livuleka kancane, ucezu nocezu, kuze kuphume uvemvane olunombala obomvu nomnyama. Uvemvane luyaphumula, lomisa izimpiko zalo, bese lundiza luya kude.

UMama uthi sidinga ukuthutha siye komunye umuzi lapho kuzoba khona izikole ezingcono. Lokho kuyangidabukisa. Selokhu ngaba yimina nje ngihlala noGogo. Uma sithutha, ingadi entsha kungenzeka ingabi nomlingo njengale. Kungenzeka ngibe ngedwa. Ngiyesaba.

UGogo uthi zonke izidalwa zeNdalo ziyazalwa, zikhule zibe-ke sezihamba. Nezinyoni ziyakwenza lokho futhi. Zindiza ziye ezindaweni ezifudumele ebusika. Nembodla ensunjwana eyayilala endundumeni yethu yesihlabathi nayo yahamba.

Ngiyazibuza ukuthi mina ngizokhula ngibe ubani. Ngabe ngiyoya kwenye indawo? Angifuni ukwenza kanjalo.

“Bheka, Yusuf!” kumemeza uGogo. Imbodla
ensunjwana, isibuyile ihleli odongeni. Igxumela
phansi bese iya endundumeni yesihlabathi. Ifike
izisonge phezu kwesihlabathi. Ikati lethu ebeledukile
selibuyele ekhaya.

Kulungile ukuthi nami kengithuthe. Ngiyakwazi
ukubuye ngibuyele engadini enomlingo kaGogo.

Umsebenzi wezandla

Yenza umvemvane. Goqa iphepha lube uhhafu. Penda amadothi athile kapende ohlangothini olulodwa lwekhasi bese ugoqa iphepha ukuze upende unamathele kolunye uhlangothi. Vula iphepha. Lapho upende usuwomile, dweba isiqu somvemvane oluvule amaphiko ulandela amadothi opende kulo lonke iphepha. Sika isiqu somvemvane. Namathisela ingxenye emaphakathi kuyiroli yephepha lasethoyilethi. Nezela ezinye izingxenye zomvemvane ezenziwe ngephepha noma amakliphu ephepha.

Ukusebenza

- Dlala umjikelezo wokuphila komvemvane:
1. isibungu esihamba emacembeni futhi siwadle
 2. isibungu esishintsha sibe i-chrysalis
 3. isibungu esiphakathi kwe-chrysalis
 4. i-chrysalis iyavuleka bese kuphuma umvemvane
 5. umvemvane olundizayo.
