It's all about love!

Three special days that celebrate love, fall on 14 February each year: International Book Giving Day, Library Lovers' Day and Valentine's Day. Here is information on each of these days, as well as some ideas for celebrating them!

INTERNATIONAL BOOK GIVING DAY

Since it began in 2012, International Book Giving Day has continued to grow and grow. The focus of this day is on spreading a love of books and reading by encouraging people worldwide to give a book to a child on 14 February.

You could:

- ★ give a book to a child who is a family member
- ★ leave a book in the waiting room of a doctor or clinic for children to read
- ★ donate a book to your child's school or class.

And it doesn't have to cost a lot either. Book Dash (www.bookdash.org) and the African Storybook (www.africanstorybook.org) have children's books that you can download and print for free!

Vier die liefde!

Elke jaar val drie spesiale dae wat die liefde vier op 14 Februarie: Internasionale Gee-'n-boek-dag, Biblioteekliefhebbersdag en Valentynsdag. Hier volg inligting oor elk van hierdie dae, en 'n paar idees oor hoe om dit te vier!

INTERNASIONALE GEE-'N-BOEK-DAG

Sedert dit in 2012 ontstaan het, het Internasionale Gee-'n-boek-dag van krag tot krag gegaan. Die fokus van hierdie dag is om 'n liefde vir boeke en lees te versprei deur mense wêreldwyd aan te moedig om op 14 Februarie 'n boek vir 'n kind te gee. Jy kan:

- ★ vir 'n kind wat 'n familielid is 'n boek gee
- ★ 'n boek in 'n dokter of kliniek se wagkamer los vir kinders om te lees
- ★ 'n boek aan jou kind se skool of klas skenk.

En dit hoef ook nie baie geld te kos nie. Book Dash (www.bookdash.org) en die African Storybook (www.africanstorybook.org) het kinderboeke wat jy gratis kan aflaai en kan uitdruk!

LIBRARY LOVERS' DAY

Library Lovers' Day started in Australia, but now it is celebrated all around the world. This day is an opportunity for library staff to show off their libraries, and for the rest of us to show our love for libraries.

If you work at a library, try these things:

- ★ Create a display using our special poster on page 2 and some books about love.
- ★ Leave bookmarks in different places in your library as a nice surprise for library-users to find and keep.
- ★ Invite an author to read to children at your library in the week of 14 February.

Here are some ideas for everyone else.

- ★ Donate a copy of your favourite children's book to the library.
- ★ Take your children to the library and read books about love.
- ★ Encourage your children to write a letter or draw a picture to thank a local or school librarian for the wonderful work he or she does in spreading a love of books.

BIBLIOTEEKLIEFHEBBERSDAG

Biblioteekliefhebbersdag het in Australië ontstaan, maar word nou oor die hele wêreld gevier. Hierdie dag is 'n geleentheid vir biblioteekpersoneel om hul biblioteke ten toon te stel, en vir die res van ons om te wys hoe baie ons van biblioteke hou.

As jy in 'n biblioteek werk, probeer die volgende dinge.

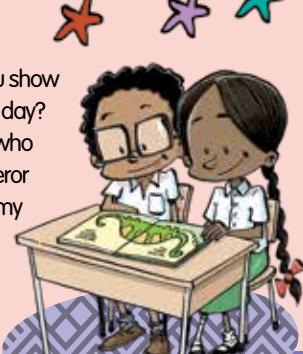

- ★ Maak 'n uitstalling met ons spesiale plakkaat op bladsy 2 en 'n paar boeke oor liefde.
 - ★ Sit boekmerke op verskillende plekke in jou biblioteek as 'n lekker verrassing vir biblioteekgebruikers om te vind en te hou.
 - ★ Nooi 'n skywer om in die week van 14 Februarie vir kinders by jou biblioteek te lees.
- Hier is 'n paar idees vir enigiemand anders.
- ★ Skenk 'n eksemplaar van jou gunsteling-kinderboek aan die biblioteek.
 - ★ Neem jou kinders biblioteek toe en lees boeke oor liefde.
 - ★ Moedig jou kinders aan om 'n brief te skryf of 'n prent te teken om vir 'n plaaslike of skoombibliotekaris dankie te sê vir die wonderlike werk wat hy of sy doen om 'n liefde vir boeke te versprei.

Valentine's Day

Most people know that Valentine's Day is a day where you show your love for others, but do you know the story behind this day?

The day gets its name from a priest called Valentine who lived in the Roman Empire a very long time ago. The emperor had banned marriage because he wanted a powerful army and he thought that married men were bad soldiers. Valentine felt this was unfair, so he broke the rules and arranged marriages in secret. When the emperor found out, Valentine was thrown in jail and sentenced to death. There, he fell in love with the jailer's daughter and when he was taken to be killed on 14 February, he sent her a love letter signed "from your Valentine".

Enjoy our special Valentine's Day poster (page 2) and activity (page 13)!

Valentynsdag

Die meeste mense weet dat Valentynsdag 'n dag is wanneer 'n mens jou liefde vir ander wys, maar ken jy die storie agter hierdie dag?

Die dag kry sy naam van 'n priester met die naam Valentyn, wat baie lank gelede in die Romeinse Ryk geleef het. Die keiser het mense verbied om te trou, want hy wou 'n magtige weermag hê, en hy het gedink getroude mans is nie goeie soldate nie. Valentyn het geveld dis onregverdig, en daarom het hy die reëls verbreek en in die geheim huwelike gereël. Toe die keiser uitvind, is Valentyn in die tronk gegooi en ter dood veroordeel. Daar het hy verlief geraak op die tronkbewaarder se dogter, en net voordat hy op 14 Februarie tereggestel is, het hy vir haar 'n liefdesbrief gestuur, wat geteken was met die woorde, "van jou Valentyn".

Geniet ons spesiale Valentynsdag-plakkaat (bladsy 2) en -aktiwiteit (bladsy 13)!

Reading club corner

During the school holidays children are able to relax and have a change of routine. So, school holidays are a good time to get children hooked on reading, or to keep them in the habit of reading for enjoyment! Running a holiday programme is an excellent way of doing this.

The Diaconia-Nal'ibali partnership in the Western Cape has been investing in holiday programmes for children in the Parow and Brackenfell areas. We found out some more about these programmes to share with you.

Why did you start these programmes?

We wanted to provide safe places for children to be during the school holidays while their parents are working. We also wanted to find a way to build bridges between the children in different communities in these areas because they don't usually have contact with each other. And of course, we wanted to let children experience the satisfaction of reading for enjoyment.

How old are the children?

The average age is 10 years old, but the programme is open to children aged 2 to 16 years.

Where are the programmes held?

In church halls and community halls.

What happens during a typical day?

Our holiday programmes run from Monday to Friday (9 a.m. to 1 p.m.) for one week. Stories are the focus of what we do. We spend time each day reading a Bible story and another story to the children and discussing these together. Then we do some story-related activities and some team-building activities in which the children have fun working together to solve a problem. Every day we also play a few games with the children and we always end with a picnic lunch!

Besides developing children's interest in reading, the Diaconia-Nal'ibali holiday programmes have seen other positive spin-offs. Friendships have formed amongst some children and the children have started socialising with each other. Story sharing really is a great way of connecting with others!

Leesklubhoekie

Tydens skoolvakansies kry kinders 'n kans om te ontspan en hul roetine te verander. Skoolvakansies is daarom 'n goeie tyd om kinders lus te maak om te lees, of om hulle in die gewoonte te hou om vir genot te lees! 'n Vakansieprogram is 'n wonderlike manier om dit te doen.

Die Diaconia-Nal'ibali-vennootskap in die Wes-Kaap het belê in vakansieprogramme vir kinders in die Parow- en Brackenfell-areas. Ons het meer oor hierdie programme uitgevind om met julle te deel.

Waarom het julle hierdie programme begin?

Ons wou tydens die skoolvakansies veilige plekke vir kinders bied terwyl hul ouers werk. Ons wou ook 'n manier vind om brûe te bou tussen die kinders in verskillende gemeenskappe in hierdie areas, want hulle kom nie gewoonlik in kontak met mekaar nie. En natuurlik wou ons hê kinders moet ervaar hoe bevredigend dit is om vir genot te lees.

Hoe oud is die kinders?

Die gemiddelde ouderdom is 10 jaar, maar die program is oop vir kinders van 2 tot 16 jaar.

Waar word die programme aangebied?

In kerksale en gemeenskapsale.

Wat gebeur op 'n tipiese dag?

Ons vakansieprogramme loop van Maandag tot Vrydag (9 v.m. tot 1 nm.) vir een week. Stories is die fokus van wat ons doen. Ons lees elke dag 'n Bybelstorie en nog 'n storie vir die kinders en bespreek dit saam. Dan doen ons 'n paar storieverwante aktiwiteite en ook spanbou-aktiwiteite waarin kinders dit geniet om saam te werk om 'n probleem op te los. Ons speel ook elke dag 'n paar speletjies met die kinders en ons sluit altyd af met 'n piekniek!

Behalwe om kinders se belangstelling in lees aan te wakker, het die Diaconia-Nal'ibali-vakansieprogramme ook ander positiewe voordele tot gevolg gehad. Sommige kinders het vriende begin bou en kinders het met mekaar begin sosialiseer. Om stories te deel is regtig 'n wonderlike manier om kontak te maak met ander!

Your story

During International School Library Month in October 2019, Diaconia, in partnership with IBBY SA and the South African Astronomical Observatory, ran an imbizo focusing on libraries. As part of this, children were asked to write about the importance of school libraries. Here is what Caleb Klaasen from Dalweide Primary School in Paarl wrote.

Our library

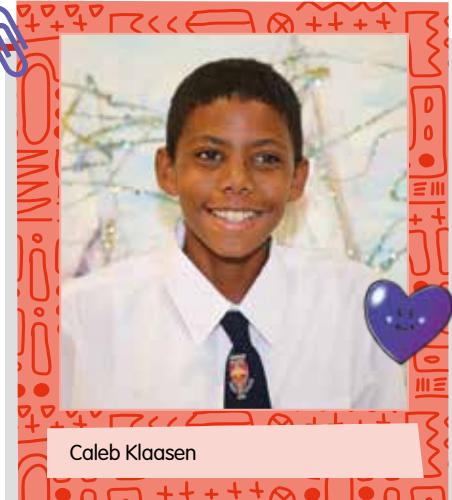

I love to read. My belief is that reading expands one's knowledge. At our school, we recently re-opened our library. It is filled with bright colours and dreams.

Each book that we are issued is either educational or adventurous. The books are so neatly packed

that when you enter the library, you already know which book you are going to take. Informational books tell us about history. When I want to prepare for a history or geography task, I take out a book related to it. Story books are an adventure on its own. A library is really a magical place. When our library first opened, I was so excited. I have fallen in love with reading again and again.

When I feel down, I usually read a book, and after reading it, I feel far better. Opening the library at school was one of the best things the school has ever done.

Jou storie

Gedurende Internasionale Skoolbiblioteekmaand in Oktober 2019 het Diaconia, in vennootskap met IBBY SA en die Suid-Afrikaanse Astronomiese Sterrewag, 'n imbizo aangebied wat op biblioteke gefokus het. As deel hiervan is kinders gevra om oor die belangrikheid van skoolbiblioteke te skryf. Dit is wat Caleb Klaasen van Dalweide Primêre Skool in die Paarl geskryf het.

Ons biblioteek

Ek is mal oor lees. Ek glo lees verbreed 'n mens se kennis. Die biblioteek by ons skool is onlangs heropen. Dit is vol helder kleure en drome.

Elke boek wat ons uitneem, is opvoekundig of 'n avontuurverhaal. Die boeke is so netjies gepak dat jy sommer dadelik weet watter boek jy gaan uitneem. Wanneer ek vir 'n geskiedenis- of aardrykskundetaak voorberei, neem ek 'n boek daaroor uit. Storieboeke is 'n avontuur op hul eie. 'n Biblioteek is regtig 'n towerplek. Toe ons biblioteek die eerste keer oopgemaak het, was ek so opgewonde. Ek het weer en weer verlief geraak op lees.

Wanneer ek termeergedruk voel, lees ek gewoonlik 'n boek, en wanneer ek dit klaar gelees het, voel ek baie beter. Om die biblioteek te open, was een van die beste dinge wat die skool nog gedoen het.

Caleb Klaasen, 10 jaar oud

5. Teken aan die ander kant van jou hart 'n prent van iets wat jou aan stories herinner.
6. Ryg wol of tou deur die gaatjies en hang jou bewertjie op.

How to be a superhero

By Bubele Retshe ■ Illustrated by Jiggs Snaddon-Wood

Timo lived in a small village surrounded by mountains, green fields and beautiful forests, but his favourite place was the park. He loved it there because he felt like a superhero when he ran around, climbed on the jungle gym and spun on the merry-go-round.

Every day when Timo came home from school, he would get changed out of his school uniform and eat the delicious sandwich that his grandmother had made for him. Then he would do his homework and, when it was done, he would rush outside shouting, "Granny, Granny, it's playtime!"

And Granny would call after him, "Timo, wait! Don't you want me to read you a story?"

"No, Granny, I need to play and explore," Timo would reply, already on his way to meet his friends who were waiting for him at the gate.

"There are many places that you can explore in storybooks, Timo," Granny would say. "Books can teach you lots of things and take you to places that you have never been."

Timo would giggle and say, "Granny, books can't take me anywhere. Only cars can do that!" Then he would run off down the road to the park with his friends.

One afternoon, Timo's best friend, Ben, was waiting for him at the gate.

"Hey, Timo, are you ready to play?" asked Ben.

"I'm always ready," said Timo racing down the street with his best friend. They both wanted to get to the park first.

When they got there, Timo's other friends were waiting for them. Pamela was sitting on the swing crying, while Noma and Siya were standing next to her. They looked worried.

Timo moved closer to find out what was going on. "What happened to Pamela?" he asked.

"She was on the swing and Siya accidentally pushed it too hard. Pamela fell off the swing and now her knee is bleeding," explained Noma.

"Oh no! What are we going to do?" asked Ben.

"It's okay, I know what to do," said Noma reaching for her backpack and taking out a small bag.

"What is that?" Timo asked.

"It's a first aid kit. I will clean Pamela's knee and then put on this plaster so that it feels better," said Noma.

The friends were surprised that Noma knew exactly what to do. Once the plaster was on, Pamela said she felt much better and she wanted to play again. All the friends felt happy and relieved and they thanked Noma.

All the friends raced over to the jungle gym – except Timo. He was wondering how Noma had known what to do. He wanted to know where you could learn these kinds of things because superheroes are supposed to know how to help people!

Timo walked over to where Noma was climbing and asked, "Noma, how did you know what to do?"

Noma smiled and said, "I read it in a storybook."

"You learnt all of that from reading a storybook?" asked Timo. He wasn't sure he could believe what Noma had said.

"Yes, Timo. I want to be a doctor when I grow up so that I can help people. When I read storybooks, I learn about how doctors help people," said Noma.

Timo was amazed! "I want to be a superhero and help people too. Do you think storybooks could help me do that?" he asked.

"Yes, of course!" said Noma. "Storybooks can teach you lots of things. Just get them from the library and start reading."

The next day, when he got home from school, Timo changed out of his school uniform and ate the delicious sandwich that his grandmother had made for him. Then he did his homework.

He had just finished when Granny called him. "Timo, your friends are here. They are waiting for you to go to the park with them."

"Please tell them I will join them later, Granny," answered Timo.

Granny could not believe her ears! Timo was always in a hurry to go to the park. "Why aren't you going right now?" she asked.

"I'd like you to read me a story before I go, please," said Timo.

Granny smiled happily. "That's new! Why do you want me to read you a story today?" she asked.

"Because Noma says stories can teach me how to be a superhero and help my friends," Timo said as he jumped up and down excitedly.

"That's my boy!" said Granny as she picked up a storybook.

So, Granny and Timo sat down together and read that storybook – and another, and another. And every afternoon after that, before Timo went to play in the park, he asked Granny to read to him.

Hoe om 'n superheld te wees

Deur Bubele Retshe Illustrasies deur Jiggs Snaddon-Wood

Storiehoekie

Timo woon in 'n klein dorpie tussen berge, groen velde en pragtige woude, maar sy gunstelingplek is die park. Hy hou van die park, want hy voel soos 'n superheld wanneer hy rondhardloop, op die klimraam klim en op die rondomtalie draai.

Elke dag wanneer Timo na skool by die huis kom, trek hy sy skoolklere uit en eet die heerlike toebroodjie wat sy ouma vir hom maak. Dan doen hy sy huiswerk en, wanneer dit klaar is, hardloop hy buitentoe en roep: "Ouma, Ouma, dis speeltyd!"

En Ouma roep agterna: "Timo, wag! Wil jy nie hê ek moet vir jou 'n storie lees nie?"

"Nee, Ouma, ek wil gaan speel en verken," antwoord Timo, al klaar op pad na sy maats wat by die hek vir hom wag.

"Daar is baie plekke wat jy in storieboeke kan verken, Timo," sê Ouma altyd. "Boeke kan vir jou baie dinge leer en jou na plekke toe vat waar jy nog nooit was nie."

Timo giggle net en sê: "Ouma, boeke kan my nêrens heen vat nie. Net karre kan dit doen!" En dan hardloop hy in die straat af na die park toe om met sy maats te gaan speel.

Een middag wag Timo se beste maat, Ben, vir hom by die hek.

"Hei, Timo, is jy reg om te gaan speel?" vra Ben.

"Ek's altyd reg," sê Timo en jaag resies teen sy beste maat in die straat af. Hulle wil albei eerste by die park wees.

Toé hulle daar kom, wag Timo se ander maats vir hulle. Pamela sit op die swaai en huil, terwyl Noma en Siya langs haar staan. Hulle lyk bekommerd.

Timo staan nader om uit te vind wat aangaan. "Wat het met Pamela gebeur?" vra hy.

"Sy was op die swaai en Siya het dit per ongeluk te hard gestoot. Pamela het van die swaai af gevallen en nou bloei haar knie," verduidelik Noma.

"Ag, nee! Wat gaan ons doen?" vra Ben.

"Als reg, ek weet wat om te doen," sê Noma terwyl sy haar rugtas nader trek en 'n klein sakkie uithaal.

"Wat's dit?" vra Timo.

"Dis 'n noodhulpsakkie. Ek gaan eers Pamela se knie skoonmaak en dan hierdie pleister opplak sodat dit beter voel," sê Noma.

Die maats is verbaas dat Noma presies weet wat om te doen. Toe die pleister opgeplak is, sê Pamela dat sy baie beter voel en weer wil speel. Al die maats is gelukkig en verlig en hulle sê vir Noma dankie.

Almal hardloop na die klimraam toe – behalwe Timo. Hy wonder hoe Noma geweet het wat om te doen. Hy wil weet waar 'n mens hierdie soort dinge kan leer, want superhelde is veronderstel om te weet hoe om mense te help!

Timo stap na waar Noma besig is om te klim en vra: "Noma, hoe het jy geweet wat om te doen?"

Noma glimlag en sê: "Ek het dit in 'n storieboek gelees."

"Jy het al daardie goed uit 'n storieboek geleer?" vra Timo. Hy is nie seker hy kan glo wat Noma hom vertel nie.

"Ja, Timo. Ek wil 'n dokter wees wanneer ek groot is sodat ek mense kan help. Wanneer ek storieboeke lees, leer ek hoe dokters mense help," sê Noma.

Timo is verstom! "Ek wil 'n superheld wees en ook mense help. Dink jy storieboeke kan my leer hoe om dit te doen?" vra hy.

"Ja, natuurlik!" sê Noma. "Storieboeke kan 'n mens baie dinge leer. Neem net boeke by die biblioteek uit en begin lees."

Die volgende dag toe hy na skool by die huis kom, trek Timo sy skoolklere uit en eet die heerlike toebroodjie wat sy ouma vir hom gemaak het. Toe doen hy sy huiswerk.

Hy is net klaar toe Ouma hom roep. "Timo, jou maats is hier. Hulle wag vir jou om saam met hulle park toe te gaan."

"Sê asseblief vir hulle ek sal later kom, Ouma," antwoord Timo.

Ouma kan nie haar ore glo nie! Timo is altyd haastig om park toe te gaan. "Waarom gaan jy nie nou dadelik nie?" vra sy.

"Ek wil graag hê Ouma moet vir my 'n storie lees voor ek gaan, asseblief," sê Timo.

Ouma glimlag bly. "Dis nuut! Hoekom wil jy vandag hê ek moet vir jou 'n storie lees?" vra sy.

"Want Noma sê stories kan my leer hoe om 'n superheld te wees en my maats te help," sê Timo terwyl hy opgewonde op en af spring.

"Dis mos my kind!" sê Ouma terwyl sy 'n storieboek optel.

Ouma en Timo gaan sit toe saam en lees daardie storieboek – en nog een, en nog een. En elke middag daarna, voordat Timo in die park gaan speel, vra hy vir Ouma om vir hom te lees.
